

Due to the COVID-19 pandemic, the Executive Council for SSSI has decided to cancel the 2021 Annual Meeting that was planned for August.

SSSI will offer a virtual conference in place of an onsite one, and we will share more information about the virtual conference as we work out details in the next few weeks. We look forward to hosting an engaging virtual conference based on our meeting theme, “Socialization and Inequalities across the Life Course: New Directions for Interactionist Scholarship.”
